GRILLE SHACK

PITSTOP  
LODGE

The Grille Shack is a fabulous retro 1950's Pump Diner inspired restaurant and the poster child at Pitstop Lodge. Loads of car and other vintage memorabilia with rustic photos, pictures, number plates, vehicle parts and road signs help set the style and tone to create a relaxed atmosphere and vibe. A fun fact is that the Pitstop Lodge was painted in midnight black so that the stars could shine brighter at night.

Their slogan is "Jaunty Food Served with Sass", and no wonder why. There are nachos, ribs, gourmet burgers, hot wings, jalapeno poppers, deep fried macaroni and cheese, "dude food", "dollar salads", seafood and so much more freshly prepared options that will knock your socks off. Their beverage selection was handpicked from local artisan brewers and winemakers to complement their mouth-watering menu.

Pitstop, like its name suggests, is a place where family and friends can make a much-needed pitstop on your journey or just break away from the hustle and bustle. You can have a quick bite to eat, indulge in a delicious treat, sit on the lush green lawns and bright red loungers, or have a drink with friends in the shady relaxed outdoor area. What makes it even more amazing is that they are dog-friendly, so you can take your furry friend along. Oh, and all dogs get given a biscuit! Bone appetit! There is an awesome inside and outside play area for kids as well. So, everybody is looked after and well catered for!

And for those who wish to immerse themselves in this "place where nature, nostalgia and comfort co-habit", the Pitstop Lodge has three retro-designed cabins where the attention to detail is incredible and sure to delight the most discerning guest.

Named after famous vintage car brands, Wolseley, Morris and Austin, the accommodation offers you the best of both worlds. Using Pitstop Lodge as your base, there is so much to discover and explore in this area. You can take in the beautiful, majestic mountain views with its surrounding fynbos, hike up into Krystal pools, the Danie Miller Trail or explore the Harold Porter Botanical Gardens hiking trail. You can visit the Stony Point Penguin Colony in Betty's Bay or bring your surfboard and tame the waves at Kogelbay. Pringle Bay, Betty's Bay, Kleinmond and Gordon's Bay are only a short drive away.

So, if you've never made a pitstop at this funky little spot along Clarence Drive, we suggest you bring your furry best friend, add an extra hour or two onto your next roadtrip and pull in!

A new liquor boutique called "The Refuel Station" was launched recently. This is where you can stock up on adult "padkos" or bespoke liquid fuel, gift wrapped in branded packaging. Perfect for holiday gifting.
